STEP 2: While on ground, plug in Heavenly Host to make sure all light strings are fully functional. It is much more difficult to plug in strings after unit has been stood up.

STEP 3: Slide the Heavenly Host is mounted into the Heavenly Host Frame. **IMPORTANT NOTE:** Make sure the Heavenly Host is flush (frame to Host). You will probably need a Hammer and Wooden block to make it fit into place.

STEP 4: Put side braces on both feet with 1/4" by 2" nuts (provided with Greatest Story Ever Told)
